I understand there is a 3-hour minimum service charge for police details. To avoid any service charge in the event this detail is cancelled, I am responsible for providing notification during office hours directly to the Detail Coordinator or after hours to the on-duty Patrol Watch Commander at least two (2) hours prior to the start time. Some details may require a Detail Supervisor based upon the number of officers requested and/or the nature of the event. Detail Supervisor rates are \$45/hour or \$60/hour for City-approved holidays.
